

October 2023

Dear Wallsend Jubilee Primary School,

I'd like to thank you for the fantastic support your school community gave this year at the 40th Anniversary event of the Children's Cancer Run. Congratulations to everyone involved in jointly smashing all previous fundraising and raising a whopping great £300,000 to make life better for children with cancer in the North East and Cumbria! Please take a moment to celebrate this momentous achievement with all the pupils, staff and families at your school who helped to raise the funds and make the event a success.

Hold the date! We are very pleased to announce that the next **Children's Cancer Run will be held on Sunday 19<sup>th</sup> May 2024**. We hope you will add the date into your school diary and join us for what will be another special event as we head into the 5<sup>th</sup> decade of this incredibly important and much-loved event in our region. **You can register your school now by following the instructions on the enclosed flyer.** We have an exciting new team function this year which links runners to their school's online fundraising page. We hope this will enhance your experience.

Thank you once again for making a difference and making life better for children with cancer.

With best wishes,

Abigail Hewison

Head of Charity
