

<p>In math we will... focus on place value for the majority of the Autumn term to ensure a firm grasp of number before we move onto the four operations. We will work practically before we move onto pictorial and abstract numbers. We will apply our reasoning skills by looking at 'Use Your Head' problems. We will focus on the 2, 5, 10 and 3 times tables to ensure a firm understanding before moving onto the 4 and 8 later on in the year.</p>	<p>Year 3 Autumn Term 2024</p>	<p>In English we will... read a range of portal stories and use this structure to write our own. We will specifically focus on the openings and endings of these narratives. Later in the term, we will be reading and writing explanation texts where we will focus on 'Why did Hunter-Gatherers become farmers?'</p>
<p>As thinkers in life skills (PSHE) we will... explore what a relationship is, looking specifically at self respect and families and friendships. We will be inclusive, respectful and reflect on our behavior for learning.</p>	<p>Stone Age</p> 	<p>As thinkers in RE we will... explore the religion of Hinduism, specifically looking at a Hindu temple and how they worship in the temple and at home. We will also get the opportunity to take part in some Diwali dancing.</p>
<p>As scientists we will... investigate the different types of rocks, how they are formed and their uses. We will also investigate soils and fossils and learn about Mary Anning. All aspects of science will be practical.</p>	<p>As geographers/historians we will... explore what it was like to live in the Stone Age. We will visit the Rising Sun country Park where we will thrash wheat to make flour and use this to prepare and cook flatbread on an open fire. We will finish off the trip by looking at real life artifacts and building a den. In school, we will focus on the roles of Hunters and Gatherers and how they changed into Farmers as the Stone Age evolved.</p>	<p>As computer scientists we will... look at digital literacy and how to stay safe and act respectfully online. We will identify fake profiles and what to do if we need to report something that concerns us.</p>
<p>As sportspeople we will... in Indoor P.E we will appreciate and participate in dancing exploring our own creative flare. in Outdoor P.E we will play a range of invasion games, focussing on team work.</p>	<p>As artists and technologists we will... explore different mediums whilst sketching and replicate famous artist styles. In Design Technology we will explore seasonality by preparing and creating a Stone Age dish.</p>	<p>As musicians we will... appreciate a number of ballads and how they are written. We will perform a ballad to an audience and have a go at writing our own. Further into the term we will explore a pentatonic scale and be introduced to the glockenspiel.</p>
<p>As linguists we will... further our French knowledge by looking at a range of French speaking countries, specifically looking at French Markets.</p>	<p>Career links to our learning this term... Historian Chef Social Worker Farmer Dancer Geologist</p>	<p>Wider curriculum opportunities this term include... Bikeability Rising Sun Country Park Trip Diwali Dancing</p>
<p>Texts you can read to support your understanding... Portal Stories such as: Harry Potters, The Lion the Witch and the Wardrobe, Alice and Wonderland and Peter Pan.</p>	<p>Websites to support learning at home... Times Table Rockstars, Purple Mash, Spelling Shed and BBC Bitesize.</p>	<p>Suggested places for family visits... Looking for rocks at the local beach Hindu Temple Farm</p>
